Storyboarding Worksheet

Like any other writing process, composing in new media requires thinking about and planning the content and organization of your piece. It may help to think of this as a visual outline or map for your project. Use the spaces below to plan the content and sequence of your new media text, and please include your storyboard with your final project. I can provide additional copies if needed.

Key Point/Idea/Text For the Frame	**Visual Representation**	**Notes** (sound, props, other plans)
FRAME 1.		
FRAME 2.		
FRAME 3.		

Key Point/Idea/Text For the Frame	**Visual Representation**	**Notes** (sound, props, other plans)
FRAME 4.		
FRAME 5.		
FRAME 6.		

Key Point/Idea/Text For the Frame	**Visual Representation**	**Notes** (sound, props, other plans)
FRAME 7.		
FRAME 8.		
FRAME 9.		

Plans for concluding the piece: _____
_____
_____
